DEVELOPMENT DIRECTOR

(20 hours per week)

Westchester Reform Temple (WRT) is one of Westchester's most prominent synagogues, and among the leading Reform Jewish congregations in the U.S. WRT is a vibrant and ever-evolving institution with a variety of religious service offerings, an innovative religious school (the Jewish Learning Lab) and a thriving Early Childhood Center.

In 1954 world famous architect Marcel Breuer designed WRT's original building, with a sanctuary in the shape of the Star of David. WRT completed a renovation and expansion in 2008 creating a new "green" sanctuary and social hall, and transforming the original sanctuary building into religious school classrooms and a Beit Midrash—a place of study.

WRT relies on membership income and tuition from its 900 member households. Increasingly, philanthropy over-and-above membership and tuition will be needed to fill gaps between income and expenses. In 2020, an Inspired Giving Campaign raised over \$1 million to cover extraordinary costs and reduced income during the pandemic. Going forward, Inspired Giving will be WRT's annual appeal. WRT also plans to solicit more restricted gifts (for education initiatives, programs, community outreach, capital improvements, etc.) and to increase its endowment. In 2021, WRT plans to introduce a formal planned giving program.
